

**Please Practice Good Pet Etiquette**  
**during your stay at**  
**The Suwannee House (CSP)**

CSP must be notified in advance of a dog coming and be advised of size and breed.

Dogs are \$20 per night. NO unregistered dogs allowed.

Dog owners are responsible for any damage that may be caused by the dog.

Only one dog is allowed per cottage. We sometimes will make exceptions.

Dog must stay in the cottage they are registered to. If allowed to visit other cottages, those cottages will also be charged for having a dog. The dog charge is for extra cleaning, which we are confining to one cottage.

Dogs younger than 6 months old or dogs not house trained are not allowed.

Dogs must be non-barkers/whiners so as not to disturb other guests.

Dogs are not allowed on beds or the furniture. If dog hair or dirt are on furniture/beds an extra cleaning fee may be charged.

Dogs must be crated if left alone. Dogs are not to be left unattended tied outside.

Dog owners must clean up dog scat unless the scat is off in the woods where people would not normally walk.

Dogs must not run loose, but must be under leash or voice control.

If there is an accident on a carpet, please notify the staff as to where it occurred, so that the staff can deep clean the spot before the next guests arrive. An accident could be urine, scat or a stomach upset. These things do happen on occasion and we would like to make sure all odor, stain, etc. is completely removed. This is a common courtesy you would appreciate and expect when you come to CSP, so please be kind to the people who stay after you.

We thank you for your consideration in this matter.

The CSP Management.
